PETITIONING THE COURT

To extend the term of supervision for 12 months, for a total term of 36 months. Extend completion of community service hours through August 30, 2014.

## CAUSE

Mr. Mendoza-Guizar disclosed he smoked marijuana on April 8, 9, and 10, 2014. He expressed frustration, shame, and guilt over his poor choices. We discussed the potential short and long term consequences he could experience due to his behavior, and we talked about pro-social alternatives he could have employed to cope with the situation and the distress he was experiencing related to his job. He indicated he was vulnerable and succumbed to his emotional weakness and used the drug in an effort to relax. He knew at the time he should not use the drug and should have utilized the skills he has learned from treatment, but he said, "I started to play head games with myself" and ultimately justified his use. He understands and voiced his use could cause him significant problems with his employment, his family, and with this Court. He committed to re-engage in relapse prevention or whatever treatment is recommended, attending AA or NA meetings, getting back into an exercise routine as his employment allows, and he agreed to extend his probation for 12 months. He recognizes the benefits of supervision, along with the accountability factors. Mr. Mendoza-Guizar requests the Court grant this extension and allow him to continue to receive the support of supervision. Additionally, due to his work hours, he has requested permission to extend his completion of his community service through August 30, 2014.

### **Waiver of Hearing to Modify Conditions of Probation/Supervised Release or Extend Term of Supervision**

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

To extend the term of supervision for 12 months, for a total term of 36 months. Extend completion of community service hours through August 30, 2014.
